Dear Mr. Thomas:

Pursuant to our telephone conversation on September 9, 1999, I am forwarding three copies of a Consent Assessment of Civil Penalty (CACP) in settlement of Bulova Technologies, LLC's violations of the Pennsylvania Solid Waste Management Act, Act of July 7, 1980, P.L. 380, 35 P.S. Section 6018.101 et seq., and the rules and regulations promulgated thereunder, which were documented in a Notice of Violation on August 5, 1999.

If the settlement proposal is acceptable, please sign all three copies of the CACP. All signed copies of the CACP, along with the civil penalty payment, should be returned within 15 calendar days of receipt of this letter to the letterhead address. Upon my receipt of the documents and the civil penalty payment, I will have them signed on behalf of the Department of Environmental Protection (Department). Once all signatures have been obtained, a copy of the executed CACP will be returned to you for your records. Please do not affix a date on the front of the documents, as this will be done with the last signature of the Department.

If you wish to propose changes to the enclosed CACP, do so by submitting the proposed changes on a separate sheet of paper. Identify the paragraph and language you would like changed. Do not in any way alter or retype the documents to reflect the changes you wish to make. If you have any questions regarding the CACP, please call me at 717-705-4956.

In the event that the settlement proposal is not acceptable or the signed documents are not received by the Department within the 15 calendar-day time period, the settlement proposal becomes void and the Department will have to pursue other enforcement options.

Sincerely,

Melissa S. Gross
